Mr. Jon D. Johnston, Chief
Federal Facilities Branch
Waste Management Division
U.S. Environmental Protection
Agency, Region IV
345 Courtland Street, N.E.
Atlanta, Georgia 30365

Dear Mr. Johnston:

Marine Corps Air Station, Cherry Point is pleased to forward the enclosed response to the Environmental Protection Agency's comments on the Draft Final Technical Direction Memorandum, Infiltration and Leakage Study, Second Phase. As agreed previously, the text of the Memorandum will be revised to reflect these comments and submitted to your office prior to November 19, 1993.

Thank you for allowing us to make our submittal according to the revised timetable. If you have questions or require additional information, please contact Steve Simmons or myself at (919) 466-4598.

Sincerely,

R. D. NELSON
Natural Resources and
Environmental Affairs Officer
By direction of
the Commanding General
